Meghan's Message

Happy Holidays Everyone!

I hope that you are enjoying your winter and looking forward to time with your friends and family. I am looking forward to getting together with all the camp staff at my house for our second annual cookie decorating party. I hope you are all looking forward to seeing your camp friends soon too. Summer will be here before we know it.

I went up to camp the other day, during the unseasonably warm weather we were having. The concrete slab for our new recreation hall has been poured, and it is HUGE! I can't wait for our first rainy day now!

Stay safe and warm this winter. Remember to light your candle and think of all the new experiences you had, and the friends that you made this summer. I'll be thinking of my first canter. Lots of Love, Meghan and Lola

Special Event

Hi Girls!! Happy Holidays!! I can't believe how fast the fall has gone by! Today I took out all of my decorations and I have been tangled in lights all afternoon! Well, as we approach the darkest day of the year, I certainly look back through all of my pictures to the hot, sunny days relaxing on the docks and swimming in the cool water. I know this sounds crazy, but I really do think about camp and how much fun we had on a daily basis! But for now, I am getting all of my holiday gifts, card, and treats made for family and friends. I hope as the winter holidays get closer you all get in touch with someone who meant a lot to you this summer. It is always nice to hear from friends how much you mean to them! Happy Holidays and cross your fingers for some SNOW!

Molly Reeve

Hello Ladies, I hope that everyone is enjoying this winter and getting ready for the holidays. I was a little worried that we weren't going to have any snow for them but we finally got it! I have already lit my candle and it only made me want to be back on the shores of Willey Pond! Enjoy the holidays and summer it's almost near!

Love,
Amanda Newton
