FEBRUARY 2011

DIRECTOR'S MESSAGE:

Hey Foss Ladies!

Before you know it the snow will be melted and again we will all be together on the shores of Willey Pond. I was just in New England visiting with my family and camp staff. We had a great meeting about

how to make this summer more exciting than last summer! Even though last summer was incredible, I know that this summer will be even better. Aubree is already planning new activities for this summer. Megs is planning some new waterfront games, while Emily is planning the extensive trips programming as you're reading this newsletter. I can't wait for camp to start. I'll see you all soon!

Program Highlights for the Summer of 2011

Hey Fossers-

I hope you are looking forward to camp as much as I am!! The staff are starting to come together to plan for summer 2011 and we have some exciting ideas in the works!

Dance Studio

The lodge will be transformed into a dance studio this summer with 4 HUGE mirrors, 2 dance bars, and other equipment all designed to bring out the boogie in each of you.

Disc Golf

Two of our alumni have been hard at work throughout the off-season putting together a seriously cool professional style disc golf course that spans all over the camp!

Daring Souls

For those daring souls out there we will be re-opening the Indiana Jones Bridge and Superman Man so you can swing through the air and climb the highest trees, really pushing yourself to new limits.

Gameshows

This is going to be the summer of Gameshows with: Minute to Win it, 1Vs 100, Don't forget the Lyrics, and Choose Your Own Adventure Games.

As always, if you have an idea that you think would be great for Camp Foss, please post it on our "Camp Foss OFFICIAL GROUP" Facebook or Twitter page. We love to hear from you!

Aubree

Summer 2011 Activity Updates & Word Search

Hey Ladies! I hope all of you are keeping nice and warm. I hear that the snow is piled high in New England. I'm enjoying life in Australia, where it's summer, but it doesn't quite feel like REAL summer. Maybe because I'm not spending it with the most fabulous girls on the planet by the shores of Willey Pond. At any rate, while I'm playing with wombats I'm dreaming of the days to come in Summer 2011, and I can't wait to get back there. I'm so looking forward to reviewing all the CIT applications. I know we're going to have two incredible groups this summer! Keep smiling girls, its already February, so camp isn't that far away!

Laura H.

This winter has been going by so fast. I have been hearing about all the snow you have been getting and I wish I was there to play in it, but it will soon be melted and it will be time for camp. I have been thinking about lots of activities for the waterfront. I can't wait to play them during sign-up's in the afternoons. I also have some ideas for the swim lessons to make them even more fun than they are now. I look forward to being back down on the beach with the sun beaming down on us, but lets be honest, a rainy day is just as much fun. Stay safe, warm, and work hard at school.

Megs

Hey Ladies, I am so excited to be coming back to camp again this summer and in the new role of trips director. I've had a good Christmas in England, but I'm ready to return to my second home and family at Camp Foss! I hope to go on many bear hunts and adventures with the Hilltoppers, set crazy and fun outdoor challenges for Woodside, and enjoy the great outdoors with the lovely ladies of Lakeview and Sunrise. There's going to be something for everyone, and I'm super excited to be going on the white water rafting trips and having the opportunity to explore the beautiful mountains around Camp Foss. Get excited girls, SUMMER 2011 is on its way! See you Soon.

Emily (Burnsy)

Hey Girls! I absolutely can't wait to get back to the shores of Willey Pond, and I hope that you are just as excited. I just wanted to let you know some of the new and fun activities that we are looking to put on in rec this summer! Some of the new games include human foosball, not so average Olympics, which includes ping pong and cup stacking, human board game extravaganza, and many others. Don't worry we'll bring back the Foss favorites as well, such as sandal tennis, water balloon volleyball, frisbee gold, and egg roulette. However, I am sad to say that we will no longer be playing rafterball...JUST KIDDING! So start practicing and get excited for the ever fun summer of 2011! Can't wait to see you there!

Emily Goupil

Hi Girls! I can't believe it is already February! It seems like just yesterday that we were all on the shores of Willey Pond having a blast! Every night when I look at my camp countdown, I think of all the fun activities that are coming up this summer, especially in Hobbies. Do you remember watercoloring in Kayaks, fast paced dance sessions with Audrey and Sarah, project runway on the Arts and Crafts porch, awesome drama performances of Little Shop of Horrors and Grease, teambuilding games like the peanutbutter pit, and making S'mores and telling campfire stories? If you had fun with these activities last summer, just wait for this coming summer. Hobby activities are going to be so so so boss! I know I am extremely excited, so I hope you are too! Keep up the good work in school. I will see you all in a few short months. I can't wait.
